

2018-2019
Harrison Road Elementary
PTA Membership Form

- PTA is the oldest and largest child advocacy association in America. It is an organization where parents, teachers, family members, and other caring adults come together to improve the livelihood for all children. We speak with one voice for every child.
- It doesn't matter how much or little time you have, just by being a member you are supporting our school, your child, and have valuable benefits at your disposal. For more information on why to join and what benefits are available please visit: www.vapta.org/why-pta/why-join-pta.
- At Harrison Road Elementary, we believe that every family should be able to join us on our mission, regardless of financial or volunteering ability, because our children are the main focus. We don't want money to keep you from being a part of our amazing organization that has helped so many. With that said, **there is no set membership fee to join PTA. We do, however, gratefully accept membership donations** to help us cover our State and National Dues for every member.
- PTA Membership is not just for parents! Don't forget to ask grandparents, aunts, uncles, and other caring family and community members to help support our school.
